(Revised September 2016)

The Wayne County Family Enrichment Program is an Early Education Program for families with children prenatal to age three living in Wayne County and is funded by the Illinois State Board of Education through the Kiddie Kollege Early Childhood Center. Learning activities take place at the Early Childhood Services Building behind Kiddie Kollege at 420 Market Avenue, Fairfield, IL. The program offers the following activities:

- Monthly Parent/Child Groups
- Family Fun Activities
- Personal Home Visits bi-weekly
- Referral to other Community Resources
- Monthly Parent Groups
- Parent Workshops
- Lending Library

The goal of the Family Enrichment Program is to provide the learning foundations that will assure success in school and in life. Studies have shown that parents can increase their young child's learning power by loving, playing, reading, singing, and talking. Child care is provided during parent group meetings and workshops. The program offers the research based curriculum "Parents as Teachers" and also provides referrals to other early intervention services.
